ALAMEDA

Modern, simple and very impressive. Alameda will give a touch of class to modern interiors. The shiny white tone and the colour of natural wood wouldn't be so special were it not for the features that make the collection simply captivating - vertical handles and modern LED lighting just below the tabletops.

PORI

There are many reasons why you will fall in love with this bedroom. The casual colour of white furniture and highlights in warm oak is subtle minimalism, pure and simple. Instead of bright, eye-catching colours, there is visual harmony here, broken only by the darker wall. After all, it's a place of peace and quiet.
